

**“Mr. Humbert is outstanding in one of NY’s best musical events of the year!”**

# TOM HUMBERT

A MAN OF FAITH. A CHILD OF GOD.

## THE DAYS OF PEANUT BUTTER & JELLY:

*At 8 yrs. old I wrote my first song of faith and love called “You are my destiny”*

## THE YEARS OF PIZZA:

*Every night when my family and I would gather for dinner, we would read from the bible before every meal. Thank you Mom and Dad!*

## THE DAYS OF BURGERS & BEERS:

*I played in a rock band during my high school years, but never once did I miss an opportunity to worship on Sundays and give thanks!*

**“Tom Humbert’s singing is wonderfully expressive and so smooth. An amazing voice!”**

*- A. Jacobson, New York & Long Island Newsday*

**K**nown as “Tommy H”, the creator of the **Hampton’s Concert Series “Sundays at Seven”** and founder of the **“Broadway Voices in Concert”** group Tom has carved a respectable path as a gifted singer - songwriter. He has been given the distinguished honor of performing at the **White House** for two former Presidents and has had the privilege of performing with **Paul Anka**, **Martha Wash** of the Weather Girls and NYC’s renowned **Rainbow Room Jazz Quintet**. Equally as talented on screen, he’s the creator and star of the new faith-based TV Musical **Wholly Broken** airing on Amazon Prime.

### IN THE TIME OF GRILLIN' CHICKEN & VEGETABLES:

*I graduated Hartt School of Music Conservatory, got my Actors' Equity Card, performed in my first musical theatre production, toured the US with the PBS show Shining Time Station and even sang at the White House. But no matter where my career took me, you'd always find me in Church on Sunday mornings.*

### THE DAYS OF LEFTOVERS:

*In 1998 I recorded my first CD "The Way of Life". The concert tours of these songs of faith, accompanied by the reaffirming blessings of filled venues and churches, will never be forgotten. This was the beginning of my Christian recording career. I am ever grateful to all of you!*

### THE DAYS OF WINE & CHICKEN MARSALA:

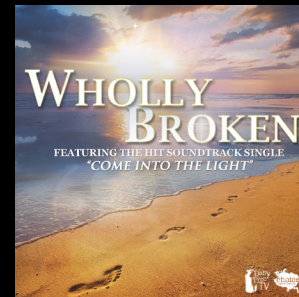

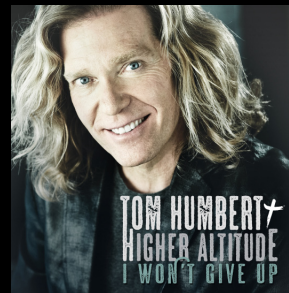

*With the TV Show "Wholly Broken" in mind, I wrote the songs for the CD "Closer to the heart of God" in 2011 and started to write the episodes. This faith-based TV show is another grace filled way to help continue to build the kingdom of God on earth!*

“Tom Humbert’s voice and smile will knock you out. His enthusiasm will exhaust you, his passion is contagious and his voice will make your heart sing, as it did mine when I first heard him perform live. His talent will astound you as he sings phrases that engulf the listener while the many colors of his powerful voice will blow you away.”
